Subpart D—Special Rules for Money Services Businesses

SOURCE: 64 FR 45451, Aug. 20, 1999, unless otherwise noted.

§ 103.41 Registration of money services businesses.

(a) *Registration requirement*—(1) *In general.* Except as provided in paragraph (a)(2) of this section, relating to agents, each money services business (whether or not licensed as a money services business by any State) must register with the Department of the Treasury and, as part of that registration, maintain a list of its agents as required by 31 U.S.C. 5330 and this section. This section does not apply to the United States Postal Service, to agencies of the United States, of any State, or of any political subdivision of a State, or to a person to the extent that

the person is an issuer, seller, or redeemer of stored value.

(2) *Agents.* A person that is a money services business solely because that person serves as an agent of another money services business, see § 103.11(uu), is not required to register under this section, but a money services business that engages in activities described in § 103.11(uu) both on its own behalf and as an agent for others must register under this section. For example, a supermarket corporation that acts as an agent for an issuer of money orders and performs no other services of a nature and value that would cause the corporation to be a money services business, is not required to register; the answer would be the same if the supermarket corporation served as an agent both of a money order issuer and of a money transmitter. However, registration would be required if the supermarket corporation, in addition to acting as an agent of an issuer of money orders, cashed checks or exchanged currencies (other than as an agent for another business) in an amount greater than \$1,000 in currency or monetary or other instruments for any person on any day, in one or more transactions.

(3) *Agency status.* The determination whether a person is an agent depends on all the facts and circumstances.

(b) *Registration procedures*—(1) *In general.* (i) A money services business must be registered by filing such form as FinCEN may specify with the Detroit Computing Center of the Internal Revenue Service (or such other location as the form may specify). The information required by 31 U.S.C. 5330(b) and any other information required by the form must be reported in the manner and to the extent required by the form.

(ii) A branch office of a money services business is not required to file its own registration form. A money services business must, however, report information about its branch locations or offices as provided by the instructions to the registration form.

(iii) A money services business must retain a copy of any registration form filed under this section and any registration number that may be assigned to the business at a location in the
